

MINUTES OF THE BENSON ENERGY COMMITTEE  
2/12/89

Present: Karen Barber, Lois Trenn, Whit Humphreys, Krystyne Jensen, Peter Jensen

The Committee agreed to meet once a month, on the second Thursday.

The energy tip of the month for the newsletter was reviewed as well as a list of possible subjects for the future.

It was decided that, with approval, a "banner" showing all recyclable materials would be displayed somewhere on Town Meeting day.

In order to increase recycling, ways of attaching a list of recyclables to transfer station permits was discussed.

The audit of the Town buildings was discussed. The jobs contained in the audit will be prioritized and priced for both time and materials which will result in a time line and budget.

Whit is working on streetlight efficiency.
