

BENSON SELECT BOARD TRAINING POLICY

Select Board policy for Town Employees:

The Town will pay for any workshop/conferences pertaining to town government, subject to the approval of the Select Board.

Examples are:

- VLCT or Rutland Regional supported workshops for the Town Clerk/Treasurer, Select Board, Listers, etc.
- Physical required for a CDL, and the CDL license fee, for both full-time and part-time highway employees
- Constable training for elected or appointed constable
- Wastewater operator training and certification

Policy for Town Officers and members of Town volunteer organizations which provide services to the Town:

Insofar as the budget permits, the Town may pay for training, providing such training benefits the Town. Each request will be considered case by case, subject to the approval of the Select Board. The Town may set restrictions on the individual, for example, require the individual to reimburse the Town if a course is not successfully completed.

Approved by Selectboard on this date: _____ by the following Selectboard members:
